## CEGEP Entry Requirements

Current minimum entry requirements for CEGEP are the same as for obtaining a high school diploma (DES) as above. **Please pay attention to specific course pre-requisites for particular programs as they are indicated by each CEGEP.** The CEGEP’s have provided new guidelines for all programs requiring Math and/or Science pre-requisites, based on the new QEP Math and Science pathways.

**Please contact the Guidance Counsellor at Westwood Senior, or CEGEP Admissions Officers, if you have questions.**

## Vocational Education

For most vocational programs offered through Quebec School Boards, minimum entry requirements are Sec. IV English (language of instruction), French (second language), and Math. There are certain exceptions. A High School Diploma can be completed concurrently with a Vocational Diploma.
