

CEGEP OPEN HOUSE DATES

It's a great idea to visit the CEGEP Open Houses scheduled throughout the fall. Open Houses provide the opportunity to tour the CEGEPs, discover their programs, and learn more about the services and unique opportunities and classroom experiences each has to offer. Meet and talk with current students, faculty and admissions staff – the *real* experts with the best advice on the application process and becoming a CEGEP student.

Below are some of the CEGEPs' Open House Dates. There are many more CEGEPs! Your guidance counsellor has a complete list.

Remember, the CEGEP application deadline is March 1 for Fall 2014.
