A FEW WORDS FROM MRS. COITEUX OUR PRINCIPAL

- Even though it was a loss against the BHS hockey team yesterday, our WW hockey team played great. Everyone worked hard and it was a great effort by all. Congratulations to William Nault for scoring our first goal of the season and congratulations to Justin Willard who played an awesome game in nets. Justin made some amazing saves. Our next home game is against Macdonald High School on March 20th
- It has been noticed that there is a lot of graffiti in the girl's and boy's bathroom upstairs. It is forbidden to write on the walls and ceilings in the bathroom or anywhere in the school. Please help keep our school clean and neat and graffiti free. A special request needs to be made now to have the bathrooms painted as the graffiti will not wash off. This is extremely disappointing that students would do this. This will cost a lot of money which is money that could go towards other more "fun" interesting things for the school and our students.
- Also a reminder that the **ONLY PLACES** that you should be eating are in the **CAFETERIA** and the **SMALL CAFETERIA**.
