*"There can be no reason for me to stop. No matter what pain I suffer, it is nothing compared to the pain of those who have cancer, of those who endure treatment."* Terry Fox, 1980

Hello,

On behalf of The Terry Fox Foundation, I would like to thank you for your support of cancer research.

Terry Fox showed us the value of one person taking action to make a difference. On the Marathon of Hope, other individuals also showed the difference that one person can make: his friend who drove the van, the volunteers who raised funds, the supporters who helped to spread the word – they led the way, and others followed.

Because of your school's tremendous efforts this year, you have also shown that when someone decides to lead the way, others will follow and make a difference. Thank you for holding a Terry Fox Run. Thank for showing that youth can make a difference. Millions of dollars were raised for cancer research this year because schools like yours decided to lead the way - thank you.

Simply put, without you, there would be no Terry Fox Run. Because of you, and others like you, millions of dollars were raised for cancer research.

Thank you for bringing us one step closer to a world without cancer.

Sincerely,

Peter Sheremeta  
Provincial Director  
The Terry Fox Foundation
